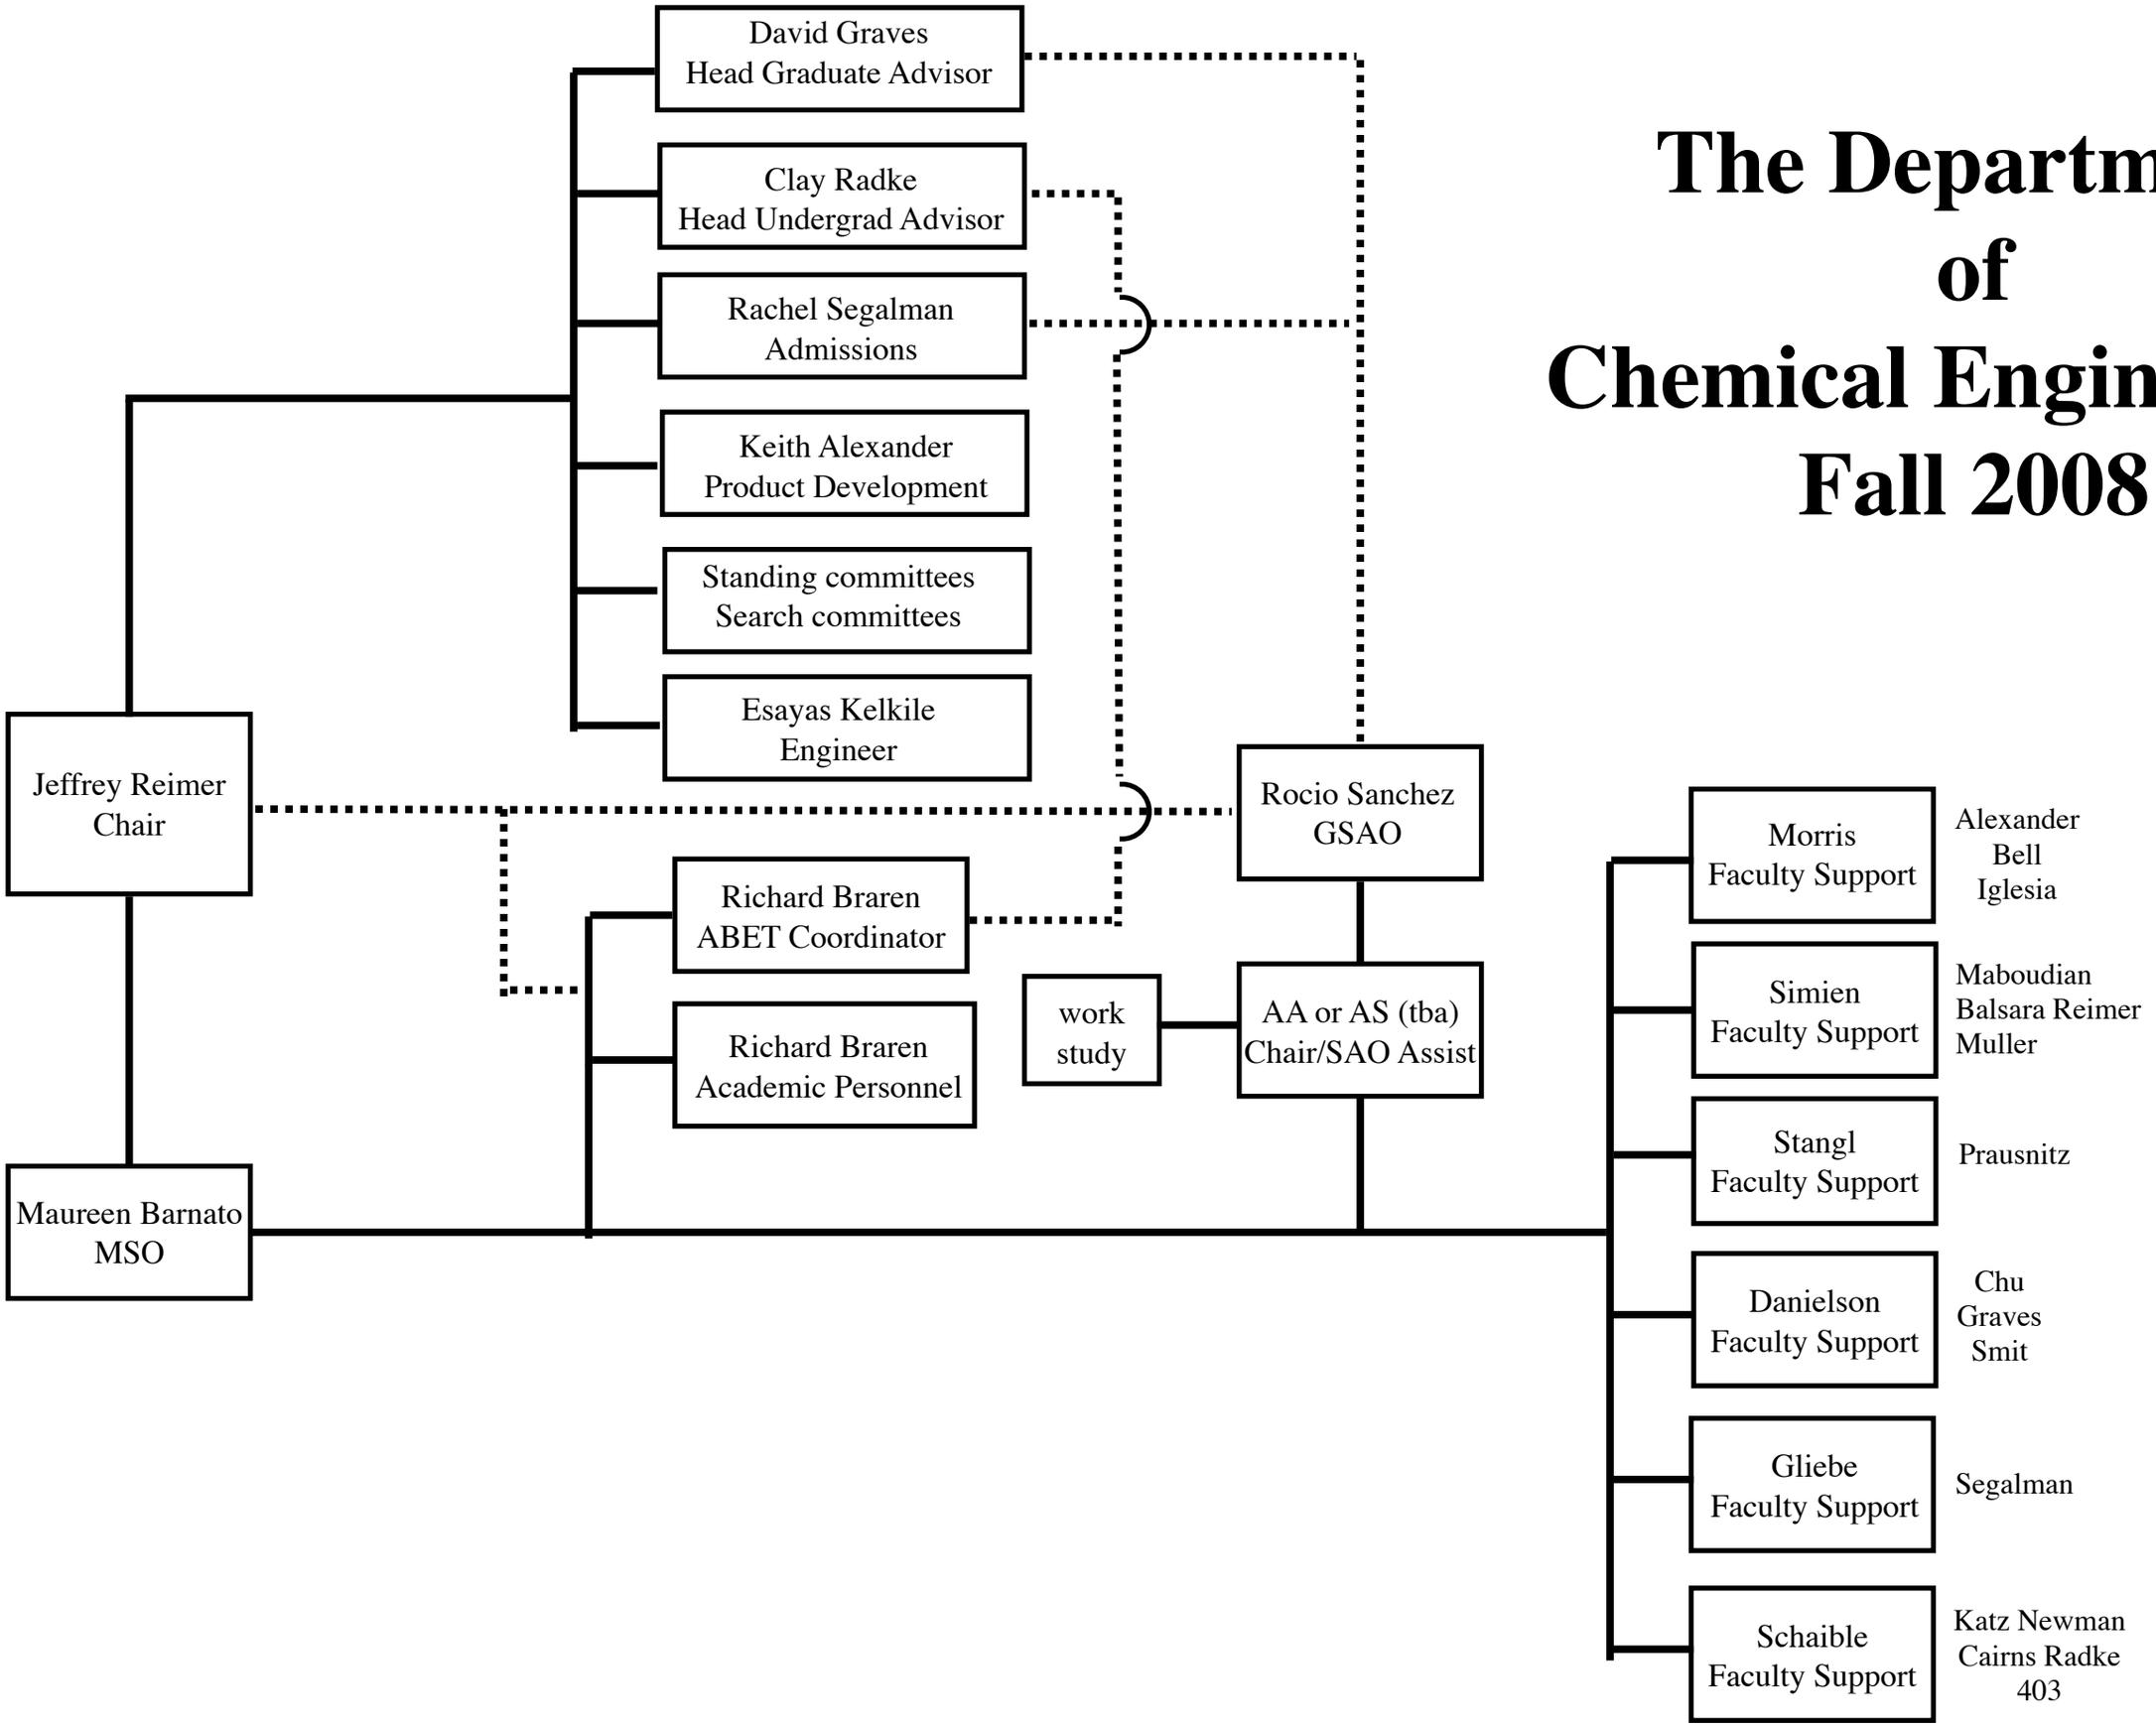
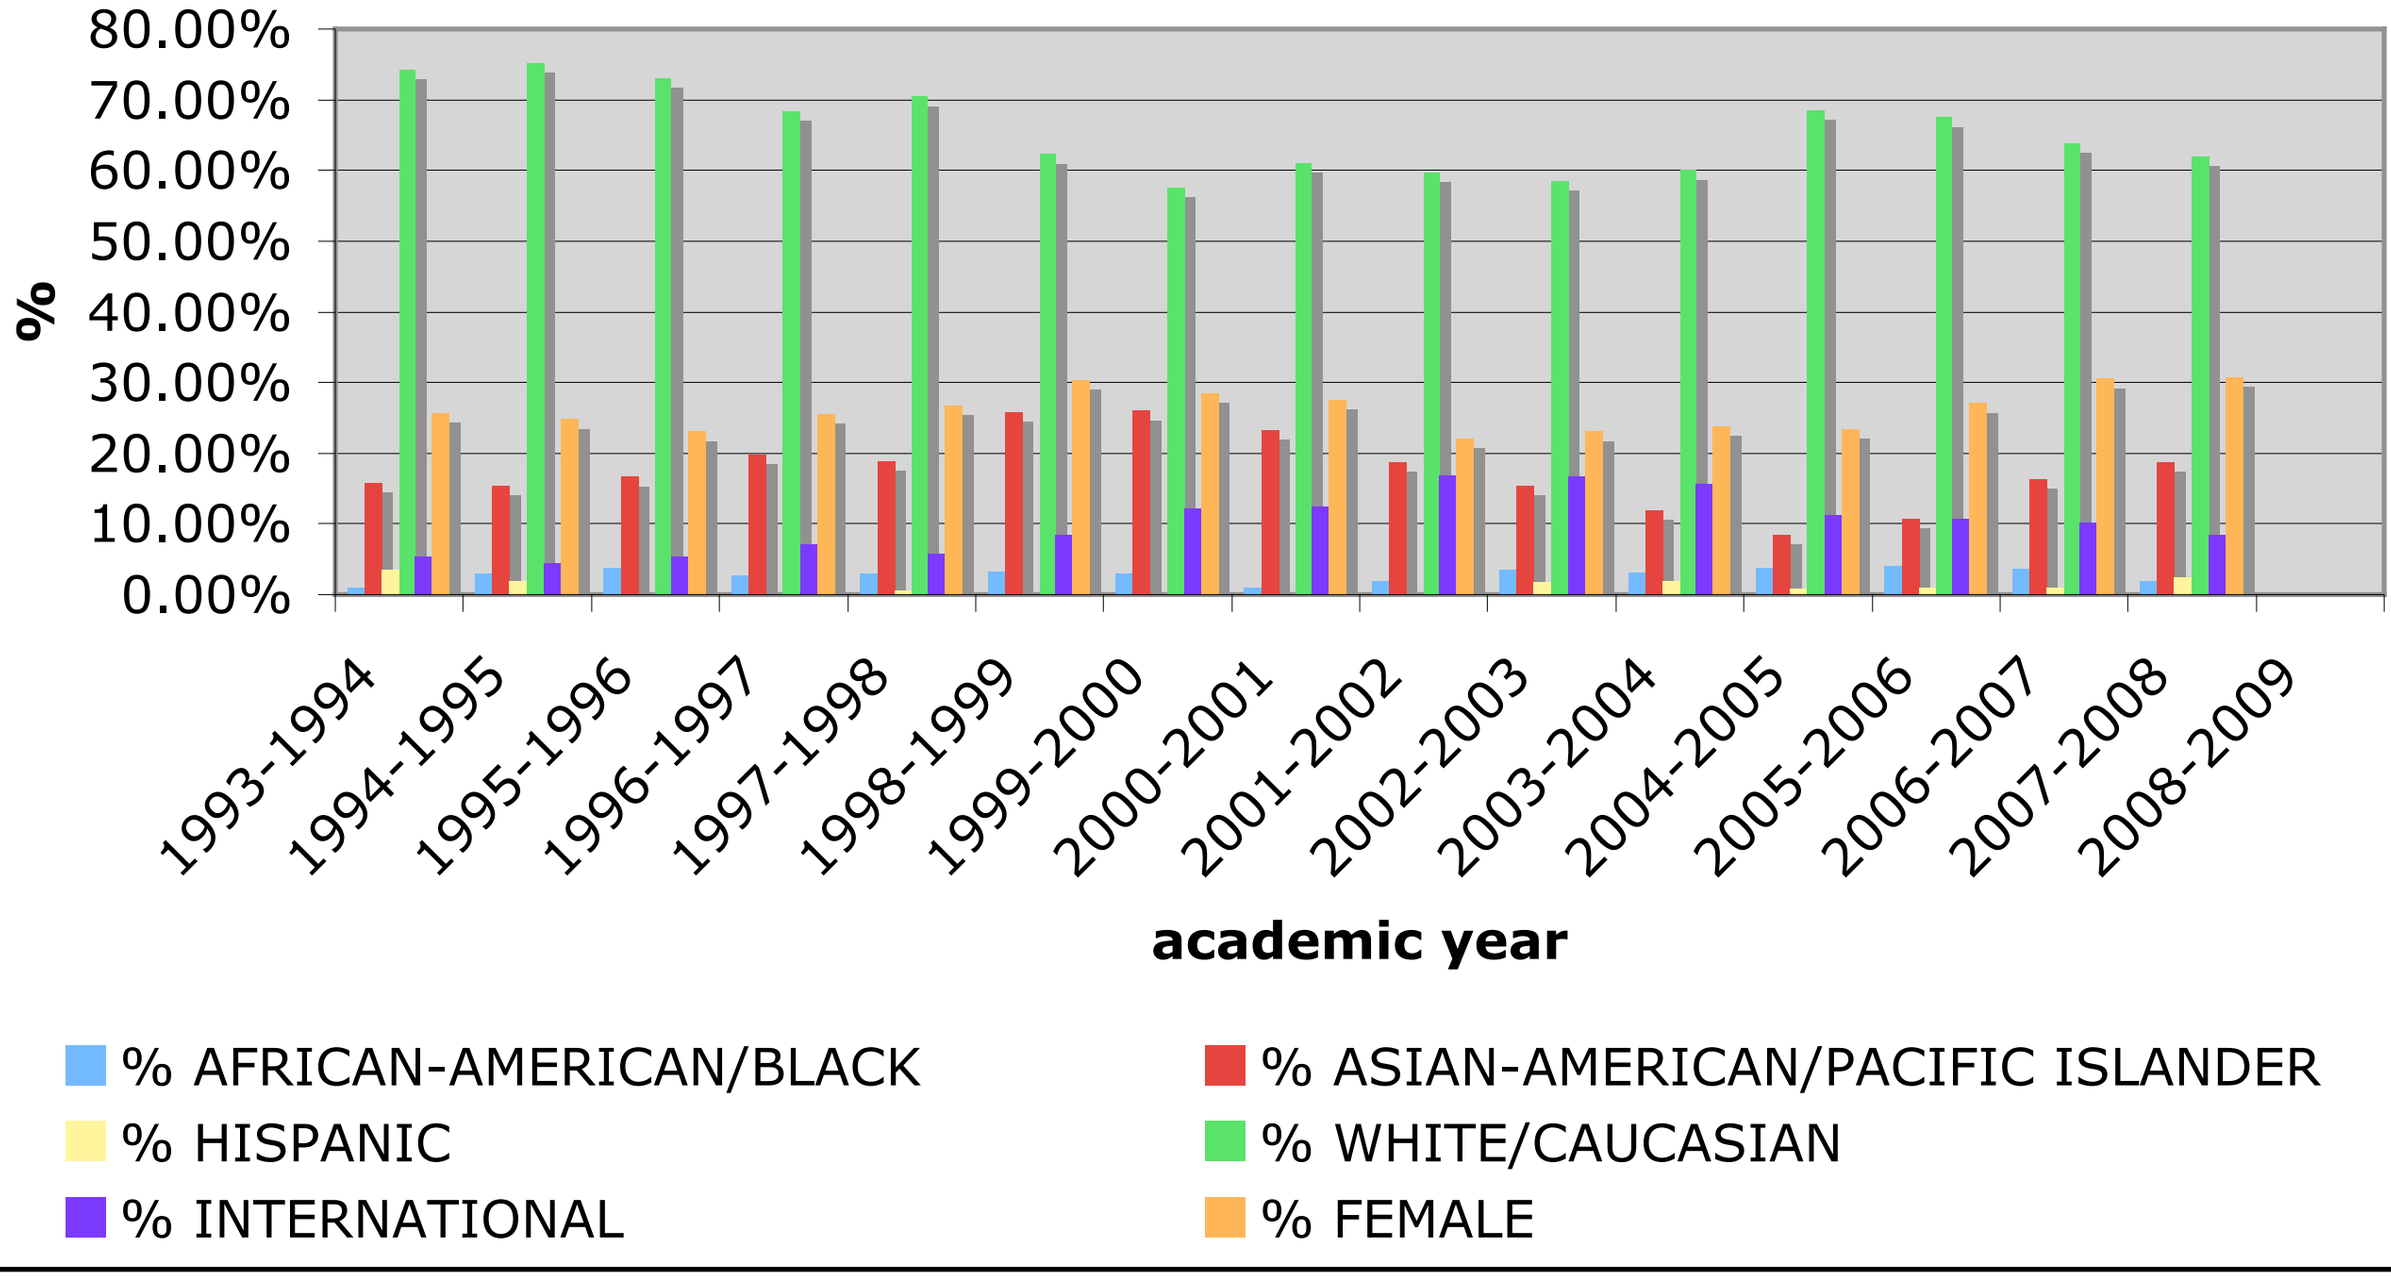
CALIFORNIA HALL

Welcome Professor Danielle Tullman-Ercek!!

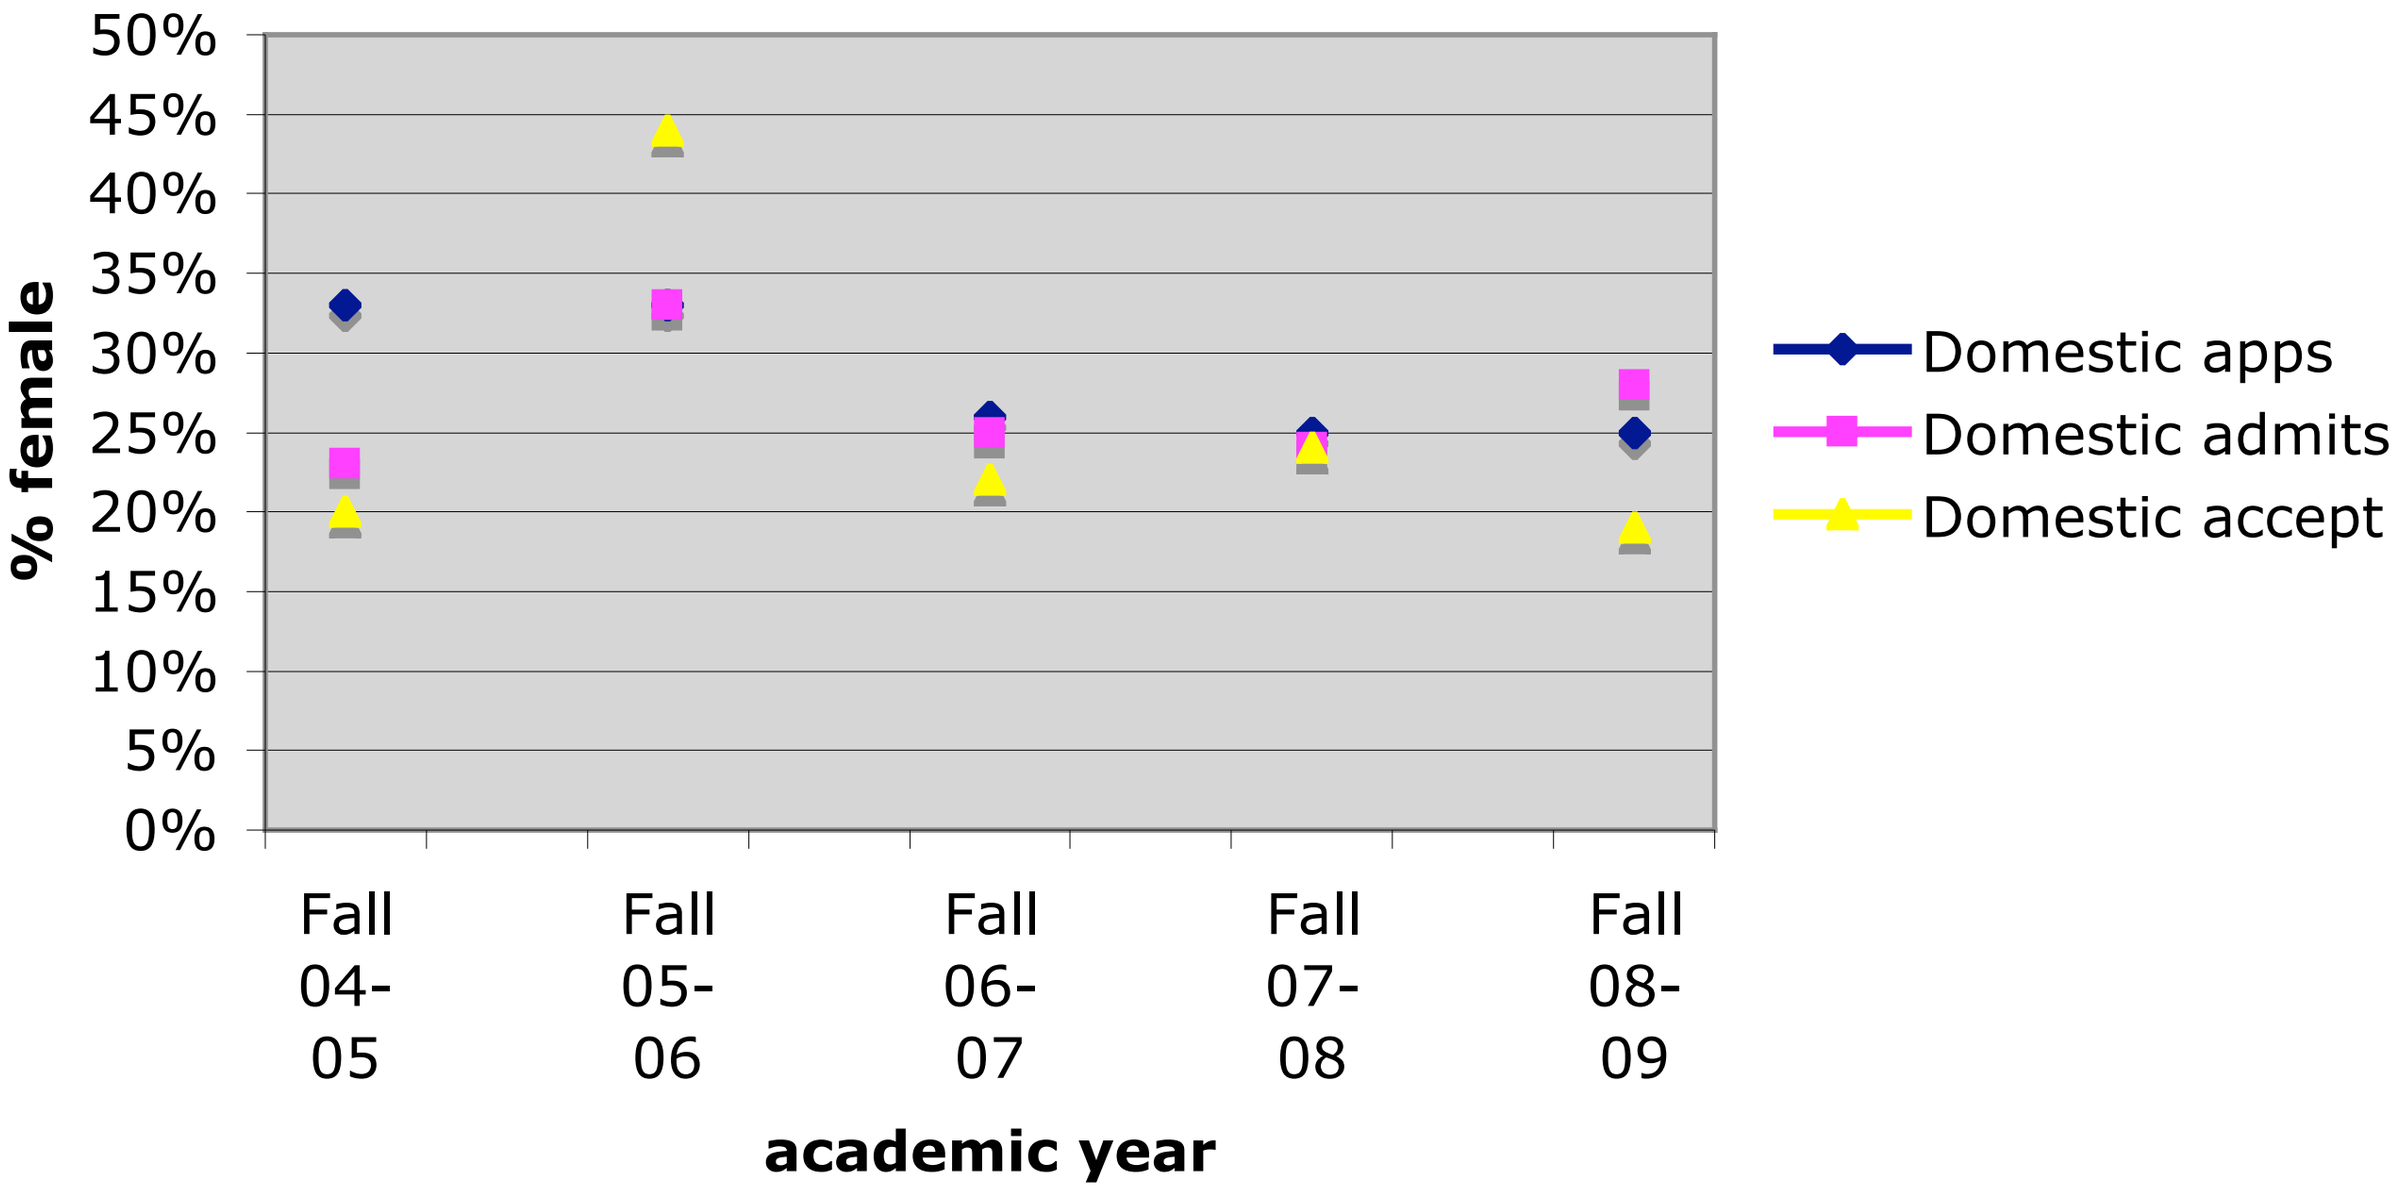
The Department of Chemical Engineering Fall 2008



Gender and Ethnicity:Grads



Women Coming to our PhD Program



Discussion Panel #3 -Our Graduate Program

Applications

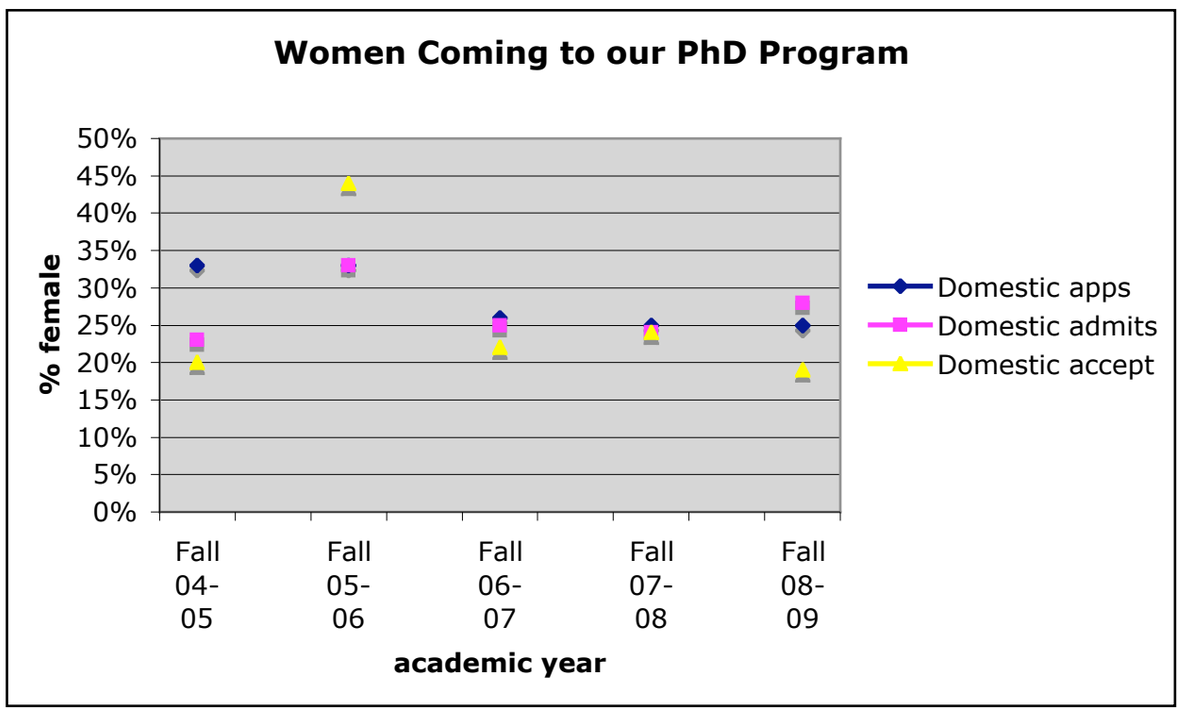
evolve to a country-of-origin blind process for admissions

our on-line application should allow for submission of a cv so that applicants can call attention to published works.

Discussion Panel #3 -Our Graduate Program (cont.)

Recruitment

Admissions chair should meet with GSAC and ascertain the viability of a "buddy system" for admit-tees.



Discussion Panel #3 -Our Graduate Program (cont.)

Assessment

The current four-semester "core" should be reviewed

The "pre-lims" were affirmed, but it was agreed that the process design exam should be replaced

The faculty need to talk about quals
